2019-2020 Year in Review

The 2019-2020 year has been full of growth and change, and your support made it all possible. Here are just a few of the changes you’ve helped the Foundation navigate:

• When Terry Simmers announced he would retire after 12 great years with the Foundation, you rallied to celebrate his service and welcome John Attaway, our next President and CEO. Your support and warm welcome set the stage for what is sure to be a wonderful new chapter in the Foundation’s history.

• You also stepped up in a huge way to support our community in the face of the COVID-19 pandemic. When we announced our partnership with United Way of Central Florida to form the United Community Relief Fund, you met our appeals for help with unbelievable generosity. Because of you, that Fund has reached $600,000 and will support a second round of grants!

• Your contributions also helped give more than $23.6 million in grants to nonprofits who depend upon your generosity to thrive. 97% of the grants you funded went to nonprofits in Florida, and 86% of them supported nonprofits in Polk, Hardee, and Highlands counties.
